- departure day

PROGRAMME

Sunday, 16th of April

On Sunday all project participants arrived in Granada. The professor settled into their hotels and the students into their host families.

Monday, 17th of April

On Monday at 9.30 the project members gathered at a Juan XXIII school where the majorities of the project activities were taking place. Icebreaking activities were first scheduled after which each partner made a brief presentation. Before the lunch break, Spanish students made presentations about typical Spanish music and dances. After the lunch break, the cultural part of the programme started: in this case walking tour and the visit to the Sacromonte abbey.

Tuesday, 18th of April

Tuesday started with an activity led by the Turkish team after which Spanish students made a presentation about Spanish history. The afternoon was all about visiting Alhambra.

Wednesday, 19th of April

Spanish students were in charge of various different presentations on Wednesday: about Spanish legends, flora and fauna, and landscapes. After the lunch break, the group visited the Granada cathedral and Royal Chapel.

Thursday, 20th of April

All of the activities took place at the Artesania Nazari workshop where the project participants had the opportunity to work with plaster. Later, the certificate ceremony was held and the rest of the afternoon was free for shopping. At the evening flamenco show took place.

Friday, 21th of April

Friday was the departure day. All project participants headed back to their countries.
